

## Finding Keywords

In each sentence, circle the keywords and write them underneath the sentence.

1. Our School is big and it is in London. (2)

2. We line up every day for school dinner.  
Year Six has dinner first.

3. There are 110 children in Year 4 at our school.

4. The children have P.E. lessons twice a week.

## Using Keywords

Use the keywords to write sentences, remember not to change the meaning of the sentences.

1. human skeleton made bones
2. children grow, bones grow
3. joints between bones move
4. hip, shoulder joint—ball and socket
5. bones calcium strong drink milk
6. all mammals skeleton bones
7. insects skeleton outside exoskeleton
