

Inclusion Resources

These resources have been selected to help support children in an inclusion classroom. These are the same resources that are used by Teaching Assistants to help develop language of early English learners.

Resources highlighted in **blue** are those used for the earliest English learners.

RESOURCES:

Please ask:

- *If you would like to use any of these resources—and need them made into lines on desks, or cards
- *If you would like more of any of them
- *If you would like any of them in a bigger poster size—we may have one

WORKSHEETS:

A sample range of worksheets have been included. The ones used most regularly have been laminated.

Samples of worksheets available in the inclusion room have been included for your information.
