

Parts of a Mandir

Look at the floor plan of a Mandir.

Match the part (A, B, C or D) with the correct name and function in the table below.

part	name	function
A	shrine	Where people worship, alone or in groups
B	prayer hall	The home of deities, where their statues and pictures are kept.
C	entrance	The statue of the creature on which the deity rides.
D	stone sculpture of an animal	Where people pass through into the prayer hall.
